

Let **FISH** transform your workplace...

What is FISH? The FISH! Philosophy transformed the work environment at Seattle's Pike Place Fish Market. Now companies from health care to manufacturing are discovering the key points of the FISH! Philosophy are also keys to employee longevity, great morale, and increased productivity.

- Can you be serious about your work without being serious about yourself?
- Are your employees whole-hearted about their jobs?
- Do your workers strive to make someone's day, every day?
- Is your staff positive?

Come discover FISH! and find out why work and play need not be mutually exclusive. Be ready for low flying fish!

FISH! facilitator, Leslie Trottier is program coordinator for Child Care Resource & Referral for Utah's Northern Region.
